1. Is there any limitation on amount of money (budget) which has been allocated for this tender (i.e. “Providing legal services for development of Renewable Energy in Kazakhstan”)? Please inform us on a size of such amount of money, if this information can be provided to us.

2. Please confirm that services which are required by the tender should be rendered (delivered) within 30 months.

3. Please confirm that all services should be rendered (delivered) in Astana city only? Please let us know if the legal services should be also provided (delivered) in other places (except Astana, please indicate the exact list of places/cities, etc.).

4. Please confirm that our price proposal should contain a fully-loaded daily labour rate/category per each person i.e. Attachment B should contain a fully-loaded daily rate per each person (according to his/her position/category in the Firm).

---

1. The bidder should estimate the labor and total budget considering the provided scope of work.

2. The period of performance is 18 months. Corresponding correction will be made in the announcement.

3. Legal services should be rendered in Astana and Almaty.

4. Yes, we confirm. Please see Chapter 6. PROPOSAL PREPARATION INSTRUCTIONS: The budget should include fully-loaded daily labor rates/categories. Expenses and other direct costs should be budgeted at cost. Bidder shall provide unit pricing in local Kazakhstan currency. Prices quoted in this document shall be valid for a 30-day time period, include all taxes and other costs and the VAT tax originated in the Republic of Kazakhstan. Please also see Chapter 7. EVALUATION CRITERIA: Labor rates quoted in this document shall be fully-burdened with all indirect costs, taxes and fee, if any.

---

1) There is no draft contract or engagement letter. In this regard are we allowed to submit with our proposal a draft of contract for the services? (not related to RFP)

2) Is it enough to submit confirmation letters from our company for requirement 4 and 5 of paragraph 2 Bidder’s qualifications?

---

1. Tetra Tech will provide its standard Time and Materials type Subcontract Agreement.

---

1) Tetra Tech will provide a draft Time and Materials Subcontract Agreement to the winner firm only for their review and comments, if any.

---

The period of performance has been changed from 30 months to 18 months and due August 28, 2019

---

Could you kindly inform us where can we get/download Tetra Tech’s standard contract?
